DAY 2: Maasai Mara National Reserve

Full day spent in the Lodge with Morning and afternoon game drives in this reserve, noted for its lions and other wildlife [kenya safari](#). Maasai Mara National Reserve is a pristine wilderness of haunting beauty, it promises its visitors a profusion of wildlife, prolific bird life and the unprecedented opportunity of catching up with all the members of the 'Big Five' in one morning. The 1,800 sq kilometers of this veteran reserve offers the classic mix of African imagery; miles of lion-gold grasslands, shoals of lilac-misted hills, a meandering river, acres of thorn-bush and mile upon mile of undulating wilderness. An impressive feature is the annual migration of the Wildebeest, Zebra and gazelle from the plains of the Serengeti that cross the Tanzania border and rivers to reach the Mara lush grassland from late June, hunted by the predators Lion, Hyena and circled by vultures as the journey unfolds. Their dramatic river crossings are a reality for tourists visiting in July-August. Apart from seasonal migration, game viewing is excellent year round. Game includes Elephants, Black Rhino, Buffalo, the big cats and virtually every animal found in Kenya. The rivers are a home to Hippos and Crocodiles. 452 bird species are recorded including 53 Raptors, Buzzards, Vultures and Eagles. *Overnight at Mara Sarova Camp (LDBB).*
